A lovely two bedroom end terraced house, recently built and revealing a modern and spacious interior. The property is located on a highly regarded and sought after development, situated on the edge of open countryside.

Offered on a 25% share basis (£392.52 rent currently paid monthly on the subsequent 75%), the property is ideal for first time buyers wanting to get on the property ladder. The house reveals a well presented interior and lovely enclosed low maintenance rear garden.

On the ground floor there is an entrance hall with stairs rising to the first floor, cloakroom/WC, living room and an open plan kitchen/diner, which is fitted with a range of stylish units and offers double doors to the rear garden. To the first floor there is a landing with storage cupboard and loft access, main bedroom with fitted storage cupboard, a further double bedroom and the house bathroom, part tiled and fitted with a white three piece suite, including a bath with glazed screen and shower over.

Externally there is off street parking for two cars to the front of the house, with an electric car charge point. A pathway gives gated access to the rear garden, which is a good size and fully enclosed, being gravelled for ease of maintenance and enjoying plenty of sunshine, whilst there is a handy timber storage shed in place.

The modern home is located on a sought after development, backing onto woodland and with riverside walks on the doorstep, whilst it is also ideally placed for schools and an array of amenities.

The property boasts the modern features you would expect from a recently built home, including gas central heating and double glazing, both of which help to give a high energy efficiency rating. The house also benefits from the balance of the NHBC warranty. An early viewing is advised on this lovely home, which can be offered for sale with some of the furniture in place, if required and by separate negotiation.
