The island itself incorporates further cupboard storage, electricity sockets, two burner induction hob and sink. The seating area is generous in size with an electric fireplace and custom media wall, with hidden space for a large television. There is ample space for a dining table as well as a cosy seating area, perfect for family living. From the kitchen, a door gives access to the double garage with a separate utility area. A substantial conservatory completes the downstairs layout, with double doors providing access to the garden and ample space for a further seating/dining area. Stairs rise to the first floor, where there is a spacious landing, leading to five well-proportioned bedrooms. The main bedroom boasts a fully tiled en-suite shower room with Villeroy & Boch fittings, including a large shower enclosure and vanity unit basin with illuminated mirror. The house bathroom is fully tiled and fitted with a white suite including spa bath, with handheld shower and separate shower enclosure.

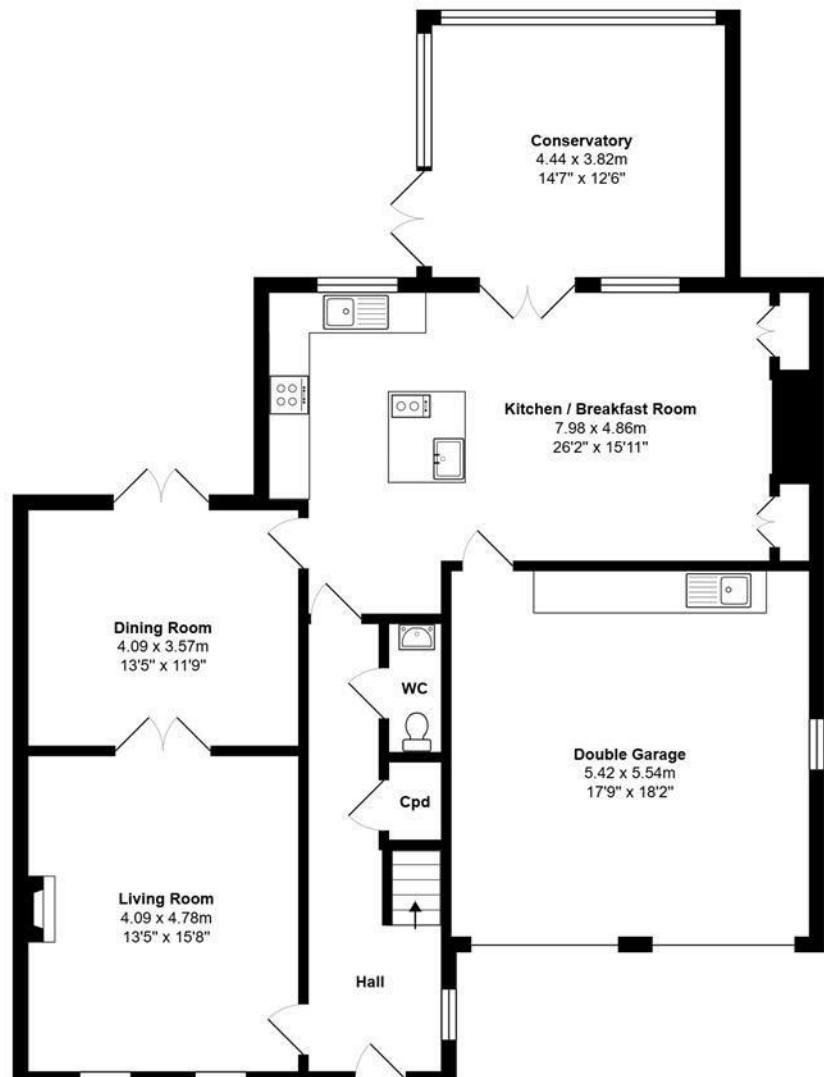

Externally, the property is set back from the road with a large driveway providing parking for numerous vehicles. There is an integral double garage with up and over doors, power, and lighting. The front garden is mostly laid to lawn with fenced and hedge borders. The rear garden is a real delight, accessed through a gate to the side of the property. Fully enclosed with hedge borders, the garden is mostly laid to lawn, with a paved patio and raised decked area perfect for outdoor living and entertaining.
