

Accommodation

A charming Grade II listed cottage, nestled in the heart of Ripon, boasting a newly refurbished interior. The property is offered to the market with tenants in situ until September and no onward chain.

The property has been fully renovated by its current owner, and now offers accommodation arranged over 3 floors with a stylish kitchen, shower room and two double bedrooms. Other works include: a new boiler with a 10-year warranty, a complete rewire, chimney repointing, a relined roof, walls lined and insulated, and new wooden heritage double glazed windows.

Occupying a central location just seconds from the city centre, the property offers ease of access to an array of shops and amenities. The cottage is also ideally placed for a number of Ripon's schools, including the highly regarded Ripon Grammar School.

The property is accessed through a passageway to the rear, with an enclosed courtyard leading to the front door. Entering the property there is a welcoming entrance hall with stairs rising to the first floor. The ground floor offers a good-sized living room with original stone mantle and a part-tiled shower room which is fitted with a white suite, including large walk-in shower enclosure. Rising to the first floor, there is a landing with stairs to the second floor, neutrally decorated main bedroom and a stylish kitchen with space for a small dining table. The kitchen is fitted with a range of modern units and appliances including a fridge-freezer, induction hob and dishwasher. The second floor boasts a further well-proportioned double bedroom and a cupboard providing handy storage.

There is a small, enclosed courtyard to the rear of the property with fenced and walled boundaries, access to the front door, and a lovely space for potted plants. An annual residents' parking permit can be purchased from the council, allowing long-term parking outside the house and the surrounding area. The property also benefits from gas central heating and double glazing throughout, which aids good energy efficiency for a period property.

Ideally located for access to shops and amenities, the property is a must to view to appreciate the charm and character on offer, an early viewing is advised.
